**Woman Flier's 980 Loops Set New Air Mark**

By The Associated Press  
**MUSKOGEE, Okla., May 27.**—Miss Laura Ingalls, 25-year-old New Yorker who received her first flying lesson 18 months ago, today had written 980 complete loops inside loops in the sky above Katox municipal airport here nearly triple her own world's record.

Averaging about 4 1/2 loops for every minute she was in the air at the airport's dedication late yesterday, Miss Ingalls in her dizzy flight exceeded by 6 1/2 loops the women's record of 541 she established May 3 at Lambert field, in St. Louis.

The youthful aviator in three hours and 10 minutes aloft completely eclipsed the last mark held by another woman flier, 16 loops by Miss Mildred Kaufmann. She threatened the accomplishment of Charles (Speed) Holman, who claims the men's inside looping mark for his 1,133 circles at St. Paul March 17, 1929. Darkness brought Miss Ingalls down.

**WESTINGHOUSE COMBINES EXCEPTIONAL****Three Refinements****IN ONE REFRIGERATOR**

THE RESULT OF A MORE COMPACT HERMETICALLY SEALED FREEZING UNIT

TO PRODUCE a refrigerator possessing all three conveniences required in an efficiently managed home, Westinghouse concentrated on making a more compact freezing unit.

This, the new Westinghouse—developed after twelve years of testing and improving its freezing mechanism—presents three exceptional refinements in addition to many other features achieved by this great electrical laboratory.

How many times each day dishes are taken from or replaced in the refrigerator? That is why efficient housekeepers demand the convenience of the Buffet Top, to aid this transference.

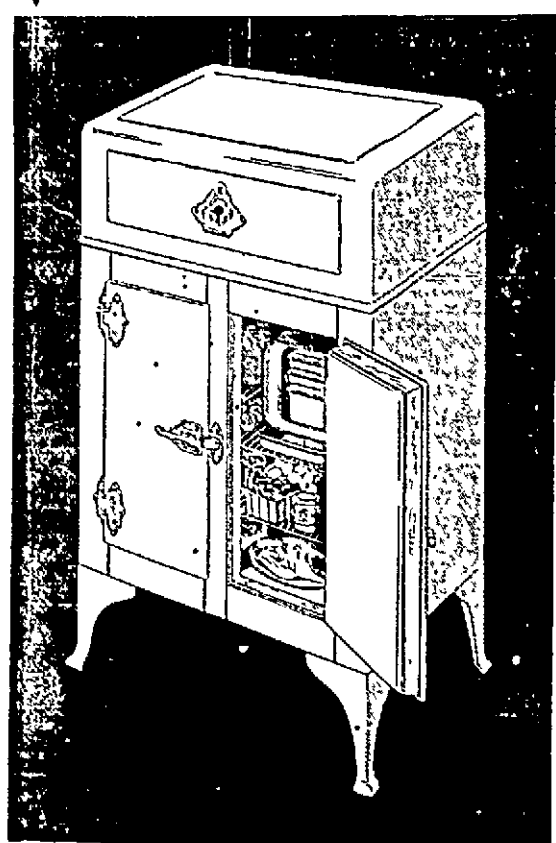

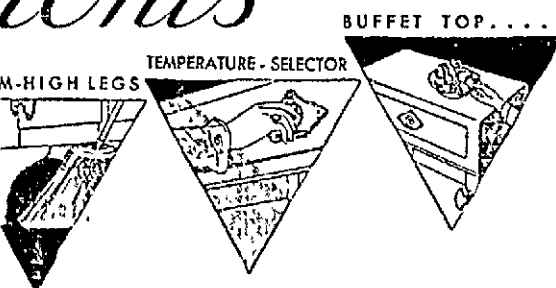

When desserts require a lower temperature to congel them more quickly than would the ordinary preservation temperature, just turn the knob of the Temperature-Selector. It is conveniently placed on the center front panel, arm high. Can be adjusted with ease.

To facilitate floor cleaning, you find—Broom High Legs—an advantage always desired. They give eleven inches clearance, for easy sweeping.

Only the Westinghouse, with its satin sheen finish in immaculate white, provides these three unique refinements. It is the first refrigerator to answer the demand for compact convenience. See it by all means before you buy any refrigerator!

# HOMER IN SEVENTH WINS FOR LEE ST

## PRESBIES SEE THREE RUN LEAD DISAPPEAR

Wesley Shuts Out Reformed; Forest Lawn Wins; U. B. Loses Third in Row.

BY BOB KIRKPATRICK  
Sports Editor, The Star  
FIRST PRESBYTERIAN'S baseball team lost a good chance to become one of the leaders in the Sunday School League No. 2 yesterday when it allowed Lee street to win the game on a seventh inning rally. The Presbians went into the final frame with a three run lead after having held the strong Lee street nine to six hits and seven runs for six innings.

The Presbians outplayed the Lee street team until the seventh. Eight hits had rattled off the bats of the losers. Combined with several Lee street errors this gave them 10 runs. Everything looked rosy for the second Presbyterian win of the season when the first half of the seventh inning started. But it didn't look rosy very long.

For some reason not known to anyone save themselves the Presbians immediately proceeded to take a sudden and unexpected trip heavenward. In other words, they blew up in a very complete manner. Two consecutive errors and another following close on its heels and two runs were in and another was on the base. Then and there the ball game ended for the Presbians. H. Richards, first baseman for the Lee street outfit, strode to the plate and put his shoulders behind one of Lee's slugs for a homer and two runs. The score was 13 to 6. And all after it looked like the No. 2 league would lose one of its co-leaders for the top position.

Score by innings:  
Lee Street ..... 000 020 1-11  
Presbyterian ..... 100 203 0-10  
Batteries—Lee street, Miller and Conkle. Presbyterian, Sizemore and Michels.

### Lashey Strikes Out Six Reformed Men

First Reformed team had to be content yesterday afternoon with the short end of an 8 to 0 score at the hands of the Wesley M. U. nine. The losers didn't go down without a hard fight. In fact they won three times without hitting other than the air, so six strikeouts are credited to Lashey, the Wesley hurler.

Reformed started out better than the eventual winners. The losers got three men on base in the initial frame but two strikeouts cut short the possibility of an early score.

Wesley batters jumped on the offerings of Miller with all the apparatus used in the manufacture of base hits in the second and lamed out five safe hits. Combined with a single Reformed error the winners crossed the plate four times before the third man had been retired.

Except for this and the third inning Miller held the winners fairly well in check. Three more hits rung off the Wesley bats in the third for two runs. In the fourth they did not get a hit and in the fifth they collected two more.

The second error of the Reformed team came in the seventh and put another man on the base. A bunt hit for the winners brought in another and last run for Wesley.

The two serious threats of Reformed towards scoring came in the first and third. Besides their three hits in the first they got a walk and a hit combined with a Wesley error

## SPORTSMAN'S HALL OF FAME

LEE Street Presbyterian furnished the selection for the Hall of Fame for today. The individual who is given this honor can be directly credited with the winning of the game with the first Presbyterian although he did not do all of the work by any means. It was a man on the seventh inning, with two men on base, brought in the two runs which gave his team a one run lead over the opponents.

The nomination to the Hall of Fame is given to H. Richards, first baseman of the co-leader of Sunday School League No. 2, the Lee Street Presbyterian.

## ON THE INSIDE

With Bob Kirkpatrick

SHOULD the four teams picked in this column to win today's games come through with flying colors it will be the exception rather than the rule. However, on form it looks like the following outfits should add another game to their win column. Epworth No. 1 should beat Trinity Baptist although without the services of Bob Gamble, who is too ill to take his place on the mound for John Clark. The Lutherans ought to win from St. Mary's, Christy and Epworth batters will probably have a tough battle but will pick the Lutherans to finish with the most runs. As for the Juniors and Christians, laudable as their accomplishments should the Juniors do more than beat the Christians entry.

Dick Tuttle pulled one of the infrequent plays seen in Marion recreational baseball circles. In the U. B. Christian game yesterday afternoon, it has been accomplished once before this season according to the records. After stealing third under the eyes of the opposing hurler he added to the feat by stealing home. It was a good play and the pitcher had the ball in his hands all of the time, making the accomplishment all the more noteworthy. Who's next on the list of home base thieves?

Just at present the No. 2 league seems to be well under control of Lee Street Presbyterian and Forest Lawn. Both have won three games in as many starts and show no signs of cracking. Forest Lawn is fortunate in having two good hurlers. Lee street has been depending on one but one. If they have another they are not using him.

The two teams do not meet until the first round so they may go through most of the first series without a defeat. Who will win then is a question. Right now the edge seems to be with Forest Lawn although it would be a tight game. We won't name the probable winner until time for them to clash. What a game it should be.

## ITALIAN SPEEDSTERS FAIL TO MAKE SPEED TRIALS FOR CLASSIC

Minor Difficulties Hamper More Than Dozen Probable Race Starters.

By The Associated Press

INDIANAPOLIS, May 27.—Cranks

and motors and speedster racing

adjustments continued today to ham-

per a dozen or more entrants who

have yet to prove their eligibility to

compete in Friday's 500-mile auto-

mobile race here.

Among those who have had some

difficulty adjusting their motors and

cars to the requirements of the

ancient brick speedway, were Isacchi

Boracchini and Letterio P. Cuccin-

etta, Italians. They said they would

be out today.

Twenty four cars of the 35 entered

have been qualified to date. Now-

however, had even challenged the 17

cars an hour mark Billy Arnold of

Chicago made last Saturday to win

the pole position.

The speed boys have missed the

superchargers of the last two years,

and have been bothered by the added

weight of one riding mechanic to the

car. Superchargers gave added gas-

oline punch, speeding acceleration in

turns.

To overcome the condition, the

drivers have employed the lightest

weight riding mechanics available, and

have been hurrying into the turns with

throats wide open, so that as little

speed as possible would be lost.

Resumption of qualifying trials set

for this afternoon. Tomorrow will

be the last day for the trials, as the

track will be closed Thursday.

## SENATORS CONTINUE TO SET DIZZY PACE

Johnson's League, Leaders' Upset Yanks with Homers; Cards Win Eighth.

By HERBERT W. BARKER

Associated Press Sports Writer

WHILE their highly touted lead-

ers falter and stumble, the Wash-

ington Senators proceed blithely on

their victorious way in the American

league.

Picked in advance predictions to

finish no higher than seventh, the

Senators, under great leadership by

Walter Johnson, were leading the

pack by four full games today and

giving no signs of cracking under the

guzzing pace they have set.

Yesterday they scored their sixth

consecutive victory and their 15th in

10 games, beating the New York Yan-

kees, 10 to 7. Stealing a lead from

the Yanks' own book, the Senators

won on home runs. Joe Judge and

Goose Goslin hit successive home runs

in the fourth and repeated the feat in

the fifth, thus accounting for six runs.

The second blast from the Washing-

ton batmen was the high spot of a

seven run rally that swept Vernon

Gonzalez off the mound and won the

ball game.

Cleveland Wins Two

Cleveland bounced back into third

place with a double victory over the

Chicago White Sox, 7 to 3 and 5 to 2.

Wes Ferrell outpitched Red Faber by

a wide margin in the opener and Clint

Brown had an edge on Cecil Caraway

in the nightcap.

Lefty Grove chalked up his sixth

win without a defeat as the Athletics

beat Boston 8 to 3. Grove had only

one bad inning, the eighth, when the

Red Sox bunched hits for four runs.

The Detroit Tigers made good use

of eight hits to beat St. Louis, 7 to 2,

and moved into sixth place while the

Browns fell back to seventh.

In the National league, Brooklyn

and St. Louis each recorded victories

to keep the Cardinals on top of the

league standing by half a game.

Giants Beaten Again

The Dodgers gave their metropolitan

rivals, the New York Giants, their

fifth straight defeat, 7 to 0, as Dazzy

Vance turned in his best effort of the

year. Vance gave the Giants only

two hits, one a scratch, and permitted

only two men to get as far as second

base. The victory was Brooklyn's

13th of its last 16.

The Cardinals turned back Pitts-

burgh, 10-1, for their eighth straight

## KILONIS-PESEK BOUT RIVALED BY MATCH OF BROWNING-DRAAK

Texas Tornado To Meet Holland Champ in Semi-Final 30 Minute Scramble.

By The Associated Press

ITLL be "hub for hub" tonight in

the Stream Shorel gym when John

Peasek, the Nebraska Tiger man jumps

into the squared circle to do his act

with Gentle John Kilonis in the main

event of the Crawford mat show. Kilonis

will make a supreme attempt to

deflate the championship claims of

the self styled heavyweight title

holder. They are booked to meet in

the three fall finish match of the

regular grappling card.

Jim Browning and Tom Draak will

mix bolts in the semi final 20 minute

bout which may turn out to be the

most exciting match of the card.

Draak is the reputed champion of

Holland if that count's for anything

in the wrestling game. Browning has

no official title to add to his name

but he will give Tom Draak a tough

fight before Draak gets his shoulders

to the mat. Browning, the Texas

Tornado, is fast and aggressive and

should give the foreign champ all the

roughness he wants long before the

match has "bells" written after it.

The preliminary match for the card

has not been announced.

For the benefit of the fans who will

go to the gym tonight to see the card,

## YOU CAN NEVER AFFORD TO DISREGARD FUNDAMENTALS

To be SURE or the BEST, one must go where it is to be found. That is particularly true of rental values. Rented property constitutes, for a stated period of time, a HOME—for either a family or business. Its selection is therefore of prime importance.

Marion has shown, by use, that the proper renting method, for the BEST VALUE always, is through The Star's Classified Section. That is its reputation.

## Final Exams Reminders of End of Another Year

Tests for Seniors in Harding High Start Today; Usher in Last Chapter in School Days for Many Students Here.

School days, high school days at least, are drawing to a close for those who will receive their diplomas a week from Friday night. The realization of what it's going to be to part from friends of 12 years acquaintance and good times, came today with the opening of senior examinations.

Thursday sophomore and junior exams will begin, and all examinations will close Tuesday, June 3.

Math Comes First

The intricacies of algebra, and higher arithmetic, were delved into this morning. Some of the answers to the questions will probably give the faculty new slants on three subjects. If the results of former years bear out this year, this afternoon the American history questions were put before the students.

Wednesday morning will be given over to the problems of American literature and in the afternoon Verbal will be gone into thoroughly. If not in all cases as it is in the textbook. The senior schedule Thursday morning calls for French IV and botany. Salesmanship, Journalism

## RICHARDSON DIES IN ELECTRIC CHAIR

Akron Slayer Declared To Be One of Calmest Men Ever Executed in Ohio.

By The Associated Press

COLUMBUS, May 27.—John Richardson, 22 of Cleveland, paid in the electric chair last night for the murder, last September, of Steve Pearson, waiter, in a lonely roadside near Akron.

Richardson, one of the coolest men who ever met death in the penitentiary here, smiled as the black mask was lowered over his head in death cell. His eyes remained fixed upon Rev. Fr. Albert O'Brien, one of the prison chaplains, until the cloth descended over his features.

Throughout his last day the slayer displayed indifference to his fate. He occupied himself with his cellmate.

also condemned men, by a long and bittering. When his foster mother, Mrs. Frank Martuch, who had raised him from childhood, visited him yesterday afternoon, he had little to say. He halted for a brief moment to shake hands with George Williams, 65-year-old condemned slayer of a Cleveland policeman, who is scheduled to die next month.

"Next month I'll be over there," laughed Williams.

Richardson was conveyed to the penitentiary from city jail, where condemned men have been counseled for safe keeping since the Easter break.

The condemned man entered the death chamber at 9:05. Before him walked Father O'Brien. He stepped briskly to the chair, while guards knelt. Just before he sat down he knelt the crucifix the warden clutched in his hand. Then he was strapped in.

Prison physicians pronounced the slayer dead at 9:08 p. m.

## DEAD HONORED

Memorial Services Held at Mt. Pleasant Church.

**MT. VICTORY, May 27**—Memorial services, honoring the local war dead, were held Sunday at the Mt. Pleasant church. The Claren Philippian American Legion post of Lakewood had charge of the service. Rev. Thomas Smith, pastor of Mt. Pleasant church here, and Rev. T. Porter, pastor of the Emmanuel Baptist church of Marion, were speakers of the day. Edward Applebiter and Mrs. Thomas Layman gave readings in keeping of the day.

Children's day at the Mt. Pleasant church will be held June 8.

## Eruptions on Baby Caused Great Disfigurement: Cuticura Healed.

"A skin eruption which resembled eczema first appeared in a red, itchy patch on my baby's ear. It caused intense itching and burning and baby scratched until it would bleed. The trouble gradually spread to his cheek and neck. It caused great disfigurement, also a cross, irritable child."

"Having read so much about Cuticura Soap and Ointment I sent for a free sample. It seemed to relieve the irritation so I purchased more and within two weeks he was completely healed." (Signed) Mrs. W. E. Cator, R. 3, Roseville, Ohio, July 2, 1929.
